

The PazStone Difference

PazStone offer a range of services associated with the manufacture, supply and installation of granite, marble, limestone and reconstituted/engineered stone for kitchen benchtops, vanities, splashbacks, indoor and outdoor stone walls, fireplaces, pools, tabletops and cladding.

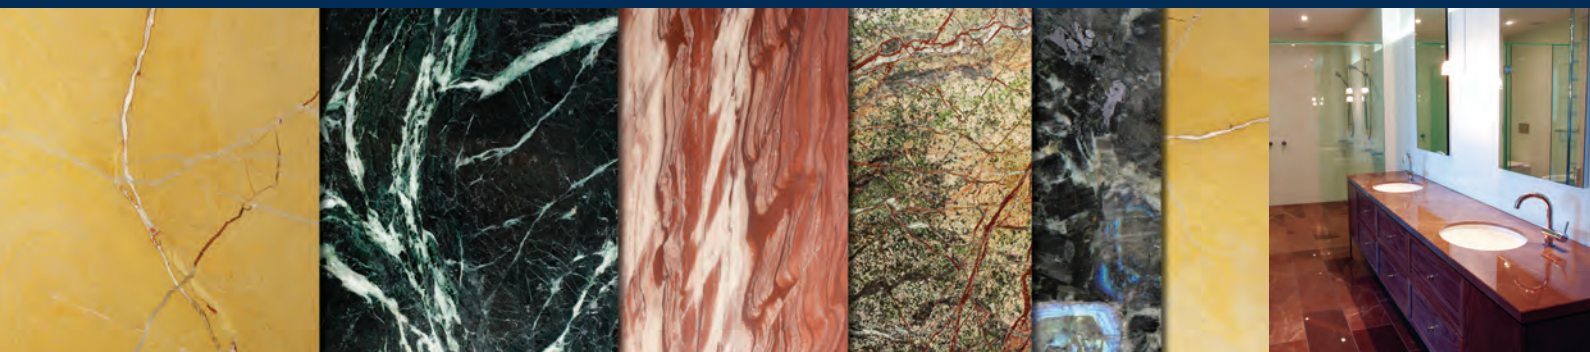

PazStone is dedicated to providing our customers market competitive prices, quality products and professional service. Our team of installation specialists will deliver and install your stone in a timely manner with quality workmanship.

Whether you are renovating an existing home or building new, stone provides a wide variety of colours, patterns, grains and designs. You can be assured that your home has its own visual appeal and unique appearance.

For more information visit: www.pazstone.com.au

A marble or granite benchtop and splashback is easier to clean and looks great for years to come...
